

REMARKS

In response to the Office Action dated June 18, 2003, Applicant respectfully requests reconsideration based on the above amendment and the following remarks.

Claims 1-19 are pending in the application. The specification has been amended to correct informalities. No new matter added by the amendment.

Oath/Declaration

The Examiner required a new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date. Applicant submits a new declaration in compliance with 37 CFR 1.67 (a). Entry of the new declaration is respectfully requested.

Specification Objection

The disclosure was objected to because of the missing of serial number on page 16. The disclosure was further objected to because it contains an embedded hyperlink and/or other form of browser-executable code.

The specification has been amended to insert the serial number No. 09/726,751 in line 10 of the paragraph [0041] in page 16. The specification has been further amended to delete the embedded hyper link and/or other form of browser-executable code on the paragraphs [0025], [0027], [0044] and [0052].

Thus, withdrawal of the objection is respectfully requested.

Rejection - Double Patenting

Claims 1-19 were provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-18 of copending U.S. Patent Application No. 09/726,749 and claims 1-19 of copending Application No. 09/844,001.

In response, to obviate the double patenting rejection, Applicant respectfully submits a Terminal Disclaimer attached hereto.

Accordingly, reconsideration and withdrawal of the double patenting rejection of claims 1-19 are respectively requested.

Conclusion

In view of the foregoing remarks and amendments, Applicant submits that the above-identified application is now in condition for allowance. Early notification to this effect is respectfully requested.

A check for the amount of \$110.00 for the fee of the Terminal Disclaimer is submitted herewith.

If there are any charges with respect to this response or otherwise, please charge them to Deposit Account 06-1130.

Respectfully submitted,
